

Ref No: MET110703

Financial Sector Charter Learnership Programme

Job Grade: Learnership

Do you have a family member or know someone who has matriculated in the last three years?

Are they currently unemployed?

Metropolitan has a fantastic learning opportunity!!!

Metropolitan has been giving young, black matriculants valuable workplace experience since 2004 when the Financial Sector Charter (FSC) Learnership programme was introduced. We will be running another programme commencing in February 2008 in **Cape Town** and **Johannesburg**.

The incumbent will be responsible for:

The Metropolitan FSC learnership provides learners with academic training, as well as workplace experience. After the year long learnership, the learners will be issued with a nationally recognised qualification in the financial services industry that will improve their employment possibilities.

The successful applicant should meet the following requirements:

- Between the ages of 18-25
- Currently unemployed
- Matriculated with Mathematics
- Certified copies of the matric certificate and ID document
- No other tertiary or learnership qualification
- No current commitment to part-time or full-time job or study programme
- Clean criminal and credit records
- Good command of the English language
- Good numerical literacy

Competencies:

- A keen interest in learning
- Committed to complete the learnership
- Determined to succeed
- Positive attitude

This position will be filled in accordance with our Employment Equity policy. We also encourage people with disabilities to apply.

Those who meet these requirements, and/or have other proven relevant skills or qualifications, should submit a detailed curriculum vitae to **Dion Brand**, by email to employ@metropolitan.co.za or by fax to 021 940 4019.
